## My Washington Youth Tour Experience

By Lily Baity

**T**his past summer, my life was forever changed. I had the privilege of going on the trip of a lifetime, and it completely altered the outlook I had on my life. I was fortunate enough to attend the Washington Youth Tour, where I had the opportunity to tour Washington, D.C., build connections with people from all over Georgia and gain experiences I couldn't have had anywhere else.

On to who I am. Hi, my name is Lily Baity, and I am a senior at Upson-Lee High School. I'm from a little town in middle Georgia called Thomaston, but despite its size, I would not want to live anywhere else. I love all things tennis, fashion and family. My family

means the world to me. They are my biggest supporters, and I wouldn't be where I am today without my mom, my sister and Luke. My mom has encouraged me to be the best version of myself, and I am so grateful for her love and encouragement. From her, I've learned that there's nothing I can't do and that all my dreams are within reach. I am beyond blessed to have these people in my life.

Last February, I interviewed for this incredible opportunity through the Thomaston-Upson Chamber of Commerce's youth leadership group. I was one of six candidates selected, and when I learned I'd been chosen, I was absolutely shocked—yet overjoyed. I had heard about how amazing this tour was, but nothing could have prepared me for the experience that awaited.

When I arrived at the Atlanta Marriott, I was so nervous. There were

so many new people around, and I worried about how I would fit in with the other 112 delegates. That all changed when a girl named Chloe Bray

approached me and asked if I could help her curl her hair. Unknown to both of us at the time, we had been assigned as roommates! From that moment on, we became fast friends, bonding over card games, touring the hotel and meeting other delegates. It was then I knew this trip was going to be amazing.

While in D.C., I had the chance to visit incredible places while also making so many new friends. I was able to visit Arlington National Cemetery, where I connected with Emalee Collins and Brody Haddock, who gave me amazing advice about applying to college. At the White House, I met Thomas Holt, who would later be elected to represent Georgia on the Youth Leadership Council. I explored the Smithsonian museums, where I was welcomed into a group by Heali Patel, Bryant Collins, Jacob Bennett and Kaiden Gibbs, and we talked for hours. I went on a riverboat cruise where I met Alli Piatt, Bianca Duncan, Haylee Vu and Sapna Annambhotla and had hours of fun. And, of course, there were the unforgettable moments

spent with my amazing group, Christy's Angels. Madaline Bennett, Harper Bishop, Chloe Bray, Emily Dutton, Farah Jones, Anyah Lovett, Addy Poole and I toured some of the most iconic landmarks in American history.

For me, this tour was so much more than sightseeing; it was the experience of a lifetime. This tour allowed me to tour Washington, D.C., while making friends and connections all over Georgia. I still talk with people from the tour every day, and I am certain we will be friends for a lifetime. This tour is so special to me and the 112 other delegates who were in attendance. This was the trip of a lifetime, and I am so grateful that I got to experience that.

I just want to express a heartfelt "thank you" to all the chaperones who poured into me throughout this trip. All of them truly made a difference in my and the other delegates' lives. Their love and effort are something I am beyond grateful for: Andy Paul, Jordan Paul, Christy Chewning, Beth McMillan, Kathryn Green and

Erin Rehburg. And I would also like to express my sincere gratitude to Upson EMC for making this incredible opportunity possible. The 2024 Washington Youth Tour is an experience I will never forget, and I will carry its lessons and friendships with me for the rest of my life.
